**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

My local internet provider, Sonic, has consistently provided superior product and service ompared to the national providers in my area (ATT and Comcast). Now I have fiber right to my home, thanks to Sonic's ability to deploy faster to their local area vs the larger companies.

As a technology entrepreneur who helped build a company from 4 employees to over 800, and still growing, I can say that I could not have done it without the reliable service from my local internet provider.

Thanks for preserving a competitive market for internet and other telecom services!
